## CI-50B/CI-100C

Cash recycling system

reddot design award  
winner 2012

reddot design award  
winner 2018

CI-50B working alongside the CI-100C, accelerates back office cash processing in medium to high volume cash locations. Delivering increased productivity for your staff and reducing the risk of cash shrinkage, this system allows your staff to focus on higher value activities that improve the customer experience and drive growth for your business.

New Zealand Dollar

As part of the CASHINFINITY™ solution, the CI-50B/CI-100C is a medium footprint and high capacity banknote and coin recycler that meets the demands for medium to large retail and gaming organisations.
