Self-service kiosk

Alto Affinity

If you're looking for a versatile, multi-use kiosk to enhance your customer in-store experience, look no further than the Alto Affinity self-service kiosk. Equipped with CASHINFINITY™ recycling technology at the point of sale, this enables your customers to use self-service however they choose to pay. Offer your customers a secure, multi-application transactional solution to improve customer service and increase revenue.

More than just hardware, comprehensive software for menu management and easy integration with your POS system delivers the full solution. What is holding you back?
