CI-10

Compact cash recycling system

reddot design award
winner 2012

The CI-10 compact cash recycling solution removes the need for staff to handle cash at the point of sale. When integrated into your existing POS system the CI-10 securely automates cash handling at payment positions minimising the risk of errors and shrinkage while enhancing staff productivity and customer service.

UK Pound

As part of our CASHINFINITY™ solution, the CI-10 compact cash recycling system is stylishly designed for easy integration into cash desks and self-checkouts.
