CI-50B/CI-100CX for the back office

Cash recycling system

A large capacity cash recycler CI-50B working alongside the CI-100CX, accelerates back-office processes in high-volume cash locations. Delivering increased productivity and security for your staff and reducing the risk of cash shrinkage, the CI-50B and CI-100CX, enables a multitude of flexible operational processes to be implemented, allowing staff to focus on other activities that improve customer experience and drive growth for your business.

CI-100CX

CI-50B

As part of the CASHINFINITY™ solution, the CI-50B/CI-100CX is a high speed, large capacity cash recycling system that meets the demands of retail and gaming organisations.
