CI-Hybrid 15X

Payment station

CI-Hybrid 15X from Glory provides an easy and flexible solution for installing a cash recycling device at the point-of-sale. Payment can be moved away from the main counter and frees up staff time to dedicate to more value-add activities.

Euro

As part of our CASHINFINITY™ solution, CI-Hybrid 15X is stylishly designed and is easy to integrate, without modification into existing store layouts.
