## Vertera™ 6G Compact (CEN III)

Teller cash recycler

The Vertera 6G Compact (CEN III) delivers a unique combination of powerful features with enhanced physical security to transform customer relationships and drive profitable branch operations. Its small footprint allows for easy installation within existing furniture and branch layouts – particularly where space is limited – reducing the need for extensive furniture redesign, or refurbishment.

## Vertera 6G Compact (CEN III) teller cash recyclers deliver an intuitive, flexible and integrated teller automation solution to address the real needs of your customers and staff all in a compact footprint.
