

GLORY

Training

Professional Services

Glory can help your business get more out of its investment in cash automation technology by making training materials available to your staff 24 hours a day, seven days a week.

Glory now offers a subscription based, online training program to complement our onsite training offerings.

This “Learning as a Service” offering provides the following benefits:

- Change Management training to prepare staff for go-live and onsite training
- Refresher training 24/7 available for functions less frequently used
- New Hire training curriculum ensures consistent usage of cash automation
- Tracking of results available on-line for management also ensures HR compliance
- Online Help with illustrated step by step instructions and Best Practices
- Online Help videos with instructions on cleaning and troubleshooting to resolve issues

Training Modules
