

WHY IS IT TIME FOR HOTELS TO EMBRACE CASH AUTOMATION TECHNOLOGY?

- INCREASE YOUR PRODUCTIVITY
- ENHANCE CUSTOMER EXPERIENCE
- STREAMLINE HOTEL OPERATIONS

with Cash Automation Solutions from GLORY

“At the Marriott International we are constantly focused on improving the experience of our guests. By implementing the CASHINFINITY™ solutions, we have been able to release more than 22 hours staff time per week from back-office tasks, as well as reducing our CIT costs.”

“Glory’s CI-100 takes the pressure and stress off staff members and gives better control to finance teams. Staff no longer feel responsible for holding on to cash floats for an unknown amount of time. Instead, they use the CI-100 to securely handle cash any minute of the day with complete flexibility.”
