

Rationalise, reformat and redistribute your branch experience

**Extend
Reach**

**Enhance
Engagement**

**Increase
Revenue**

**Enable a financially viable
branch presence, using
cost-efficient branch models
powered by alternative
technology platforms.**

Model 1: Full, shared infrastructure

- Modular, compact branch environment. All bank-brand customers welcome and served in one location
- Flexible deployment in community retail settings help banks meet consumer and SME everyday banking needs
- Larger units equipped with meeting rooms to host virtual communication and private conversations

Model 2: Brand dedicated pop-up

- Complimenting a varied branch estate, enabling a lean branch format, ideal for community centric locations
- Focus on your day-to-day advisory business, and bring cash transacting to your customers where they want it

Model 3: Brand dedicated – Serving the market

- Open up your branches to manage deposit / withdrawal transactions for multiple brand customers
- Take the lead as “last bank in town” and increase your advisory market share

Model 4: Full-service branch

- Dedicated to sales and advisory business to add value to your customer relationships
- Re-use mobile channel investments, migrating Personal and SME cash, coin and cheque transactions
