

CI-100X for the back office

Cash recycling system

A large capacity cash recycler, CI-100X accelerates back-office processes in high-volume cash locations. Delivering increased productivity and security for your staff and reducing the risk of cash shrinkage, the CI-100X enables a multitude of flexible operational processes to be implemented, allowing staff to focus on other activities that improve customer experience and drive growth for your business.

US Dollar

As part of the CASHINFINITY™ solution, the CI-100X is a high speed, large capacity cash recycler that meets the demands of retail and gaming organizations.
