

CI-500BX for the back office

Cash recycling system

The CI-500BX is Glory's highest capacity cash recycler for retail and gaming markets. This large capacity model enables customers to reduce CIT pick-ups and replenishment operations for change funds. CI-500BX also provides a flexible and scalable solution that can adapt to varying customer environments and cash handling demands.

US Dollar

As part of the CASHINFINITY™ solution, the CI-500BX is a high-speed, extra-large capacity cash recycler that meets the demands of retail and gaming markets. As an option, CI-500BX can accept collection cassettes from CI-10X, meaning no need for manual intervention when handling banknotes.
