

GLORY

CI-SERVER

Cash management software

CI-SERVER cash management software optimises your cash handling activities throughout the front and back office by providing advanced web-browser based reporting. Working with CASHINFINITY™ point of sale and back office cash recyclers, your store managers receive real-time device updates and status information, as well as a consolidated view of all cash inventory in your CASHINFINITY devices at the store.

Friday 31. Oct 2011 CASHINFINITY Server Ver. 10.2 / provide by GLORY LTD.
